MAISARAH TAN ZI XI**

WEB DESIGNER

-in charge type of Pokèmon

**SANJAI VARRMA
A/L SEVA**

RESEARCHER

-In charge in intro about
Pokèmon

CONCEPT AND PURPOSE

to introduce pokemon itself, let people easier to search
information about pokemon

A.N.S, the answer to Pokemon

keys features

Introduction

INTRODUCTION
ABOUT
POKÈMON

Types of Pokemon

TYPES OF
POKÈMON

List of Pokemon

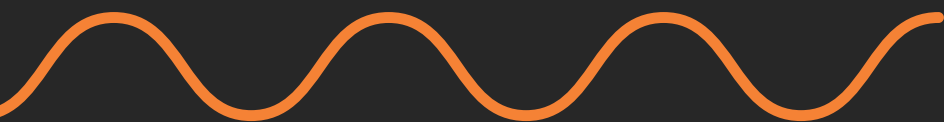

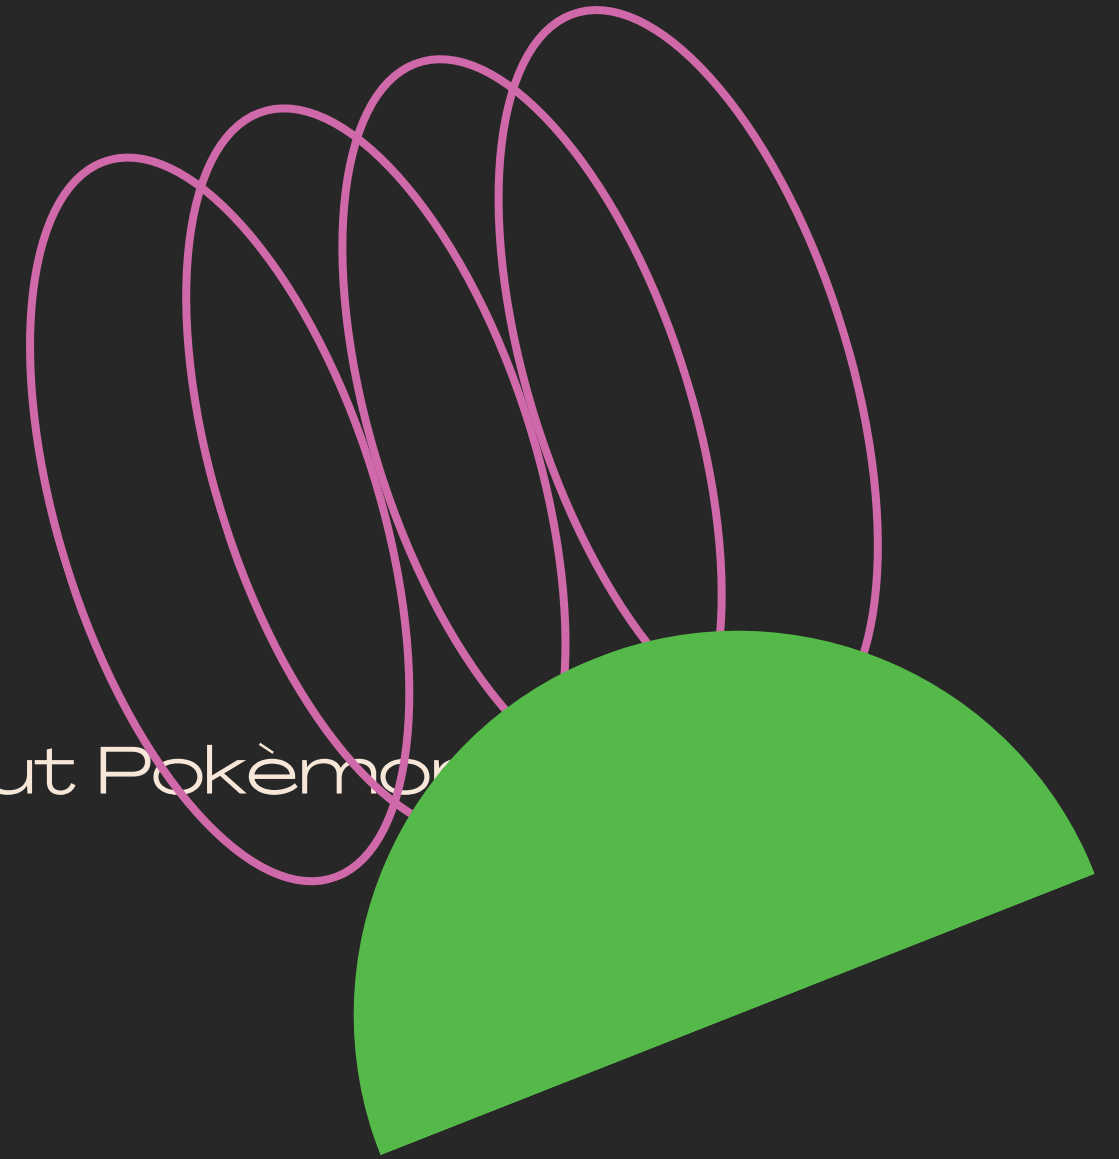

LISTS OF
POKÈMON

interactive element

- Pokedex is the dictionary of Pokèmon
- our website will help a lot of people to know more about Pokèmon
- help next generation to not forget the legend

Design Choices

old Nintendo game vibe design

- to bring back the memory
- to bring back the old vibe

color pop

- colorful word based on what it describe
- dull background to make the word pop

our website —>

<—ghost'n goblin
(nitendo video game)

Technical learning

NIK YASMIN

- Understand more on how to design a website
- improvment on coding skills

ANOR

- improvment on coding skills

SANJAI

- explore on pokèmon
- improvment on coding skills

ANS~HSBM

ANS~HSBM

ANS~HSBM

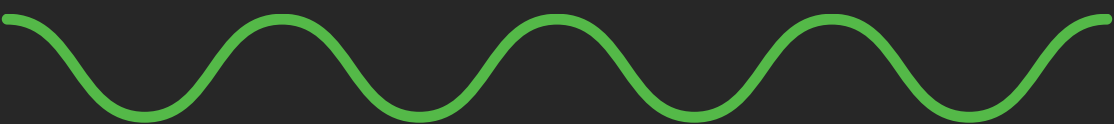

development challenge

- some computer problems that causes all our data not saved.
- Wasting a lot of time to remake the website
- assignment clashing with examination

problem solving

- remake the website
- asking for help from our mentor and teachers
- chatgpt, YouTube and some others

Team collaboration

we divide the work according to our own abilities,
our abilities are different, so we have no worry in dividing
the work

how we divide the tasks?
by our own expertise

ANOR

-expertise : arranging file

NIK

-expertise : designing

SANJAI

-expertise : problem solver

Potential Addition

- search bar
- FAQs
- more info
- mobile friendly
- unique design
